

Dorise Yang, M.D.

Dr. Dorise Yang obtained both her bachelor and medical degrees from the University of Chicago, Pritzger School of Medicine. She then completed her otolaryngology residency program at the University of Chicago. She received fellowship training in facial plastic and reconstructive surgery with Dr. Gaylon McCollough at The McCollough Institute. Dr. Yang is double board certified by the American Board of Otolaryngology and American Board of Facial Plastic and Reconstructive Surgery. She practices in general adult and pediatric otolaryngology, as well as facial plastic and reconstructive surgery. Her areas of interest include pediatric ENT, thyroid gland, parathyroid gland, salivary glands, congenital neck masses, paranasal sinuses, skin cancer reconstruction and aesthetic facial plastic surgery.
